SCOUTMASTER TRAINING

[illegible]

May 2 1972  
Walsenburg, Colo.

Mr. H. V. V. V.

I am writing this letter in regard to an incident that happened to my son. [redacted] in which my wife and I were very upset about it. It had something to do with a camping trip my son and a few other boys went to with Mr. Robertson their scoutmaster. When [redacted] returned home from the trip he wasn't himself he was very quiet as if something was bothering him his mother noticed right away so she asked him what was wrong, at first he didn't want to say anything then he said I'm going to quit boy scouts, his mother asked him why, this is what he said in his own words - When it was time to go to bed he (Mr. Robertson) took his sleeping bag and layed it on top of my blankets he said I had to sleep with him, since I had no choice I layed down with him in his sleeping bag, when suddenly I felt his hand inside the fly of my shorts and was trying to pull my shorts down. I got scared and jumped out of the sleeping bag and stayed up by the fire all night. I guess he got mad cause he got up and said he was going to a movie in town and left us alone most of the night.

So we would appreciate it if you would look into it before he hurts some poor kid.

Thank you
